

EXECUTIVE DIRECTOR

What a blessed year we have had at Mapleview!

It has been an exciting year that we met with anticipation because things were going back to what we knew as normal here at church. We were able to launch all our ministries & programs, some new ministries, along with amazing celebrations.

Here are some highlights of my responsibilities from this past year:

- Assisting Pastor Jay wherever needed
- Leading the staff and our staff meetings
- Attending Board Meetings
- Leading the Servants Board
- Meeting with individuals and couples with one-on-one appointments.
- Child Dedications
- Bible Studies
- Canada Day Celebration
- Newcomers Connections
- Volunteer Recruiting
- Oversight was given to:
 - Outside & Inside Church Services and Volunteer teams
 - Summer of Love Sunday Volunteers
 - Summer Interns Administration
 - 25 Anniversary Celebrations for the Month of September
 - Christmas Decor Volunteer teams

Thank-you to:

- I would like to say a special thank-you to our staff who are a pleasure to do ministry with. Each of you with your own God given gifts and abilities make our team amazing!
- A thank-you to our teams of volunteers who serve willingly and graciously wherever needed; ushers, parking attendants, traffic directors, greeters, guest services, giving centre, set-up teams both inside and outside, building teams, decor teams and our Servants Board - we are so grateful for each one of you. Thank-you for serving at Mapleview!

May we all continue to impact the people around us with the love of Jesus!

Respectfully Submitted,
Lori-Lynn Head
