

# CAMPUS MINISTRIES

We survived yet another year of various lockdowns and restrictions! It will be a time I'm sure that we will look back on and say I remember when, and we will all have many stories to share.

We've had to pivot just like every other church or organization has had to do this last year again. With that came a lot of frustration at moments. Having been in a consistent posture of change has challenged us to remain flexible and creative.

Here are some highlights of ministry from this past year;

- Outside church experience
- Child Dedications
- Bible Study
- Canada Day Celebration
- Newcomers luncheon
- Volunteer recruiting
- Summer of Love Sundays volunteers
- Special Occasion Flower Delivery: Valentine & Christmas deliveries to our seniors and single moms
- Bethlehem Live
- Christmas Decor

This past summer we were granted approval for 8 Summer interns which helped tremendously in a variety of different ministries.

Most of my time was spent supporting, communicating and collaborating with our staff & Jay. I would like to say thank you to our staff who went above and beyond. They stepped up in a variety of areas that weren't part of their normal responsibilities. They worked tirelessly as they consistently had to change things.

A special thank-you to our teams of volunteers who served willingly and graciously wherever needed. To our team of ushers, parking attendants, traffic directors, greeters, guest services, giving centre, and set up teams both inside and outside, building teams, flower delivery teams - we are so grateful for each one of you!

As we continue to pursue the heart of Jesus together may 2022 be filled with hope and expectation!

Respectfully Submitted,  
Lori-Lynn Head  
Director of Ministries
